STAT

Dear Karen,

I want to extend my appreciation and that of the Daily Reporting Division for your very useful contribution during your summer employment with FBIS.

STAT

Your help this summer has been particularly appreciated because of the vacancy in the DRD secretarial position, a gap which you filled admirably. Your willingness to help the Operations Group secretaries as time was available is also indicative of a truly cooperative spirit of productiveness. I hope it has been an interesting and educational experience for you and that you will consider joining us again over the Thanksgiving and Christmas holidays. I know that [redacted] are hoping you will help them out once again.

It has been a pleasure having you as a member of the Summer Only program, Karen. On behalf of FBIS, I wish you success as you begin your sophomore year at Virginia Tech and a happy and healthful future.

STAT

Sincerely,

[redacted]
Deputy Director
